## Liquid Deodorant Concentrate

### A Breakthrough In Deodorizing...

✓ For Housekeeping

✓ For Industrial Jobs

✓ For Institutions

✓ For Any Place  
Where Odor is  
a Problem

### BLAMO... Performance in Action.

● **BROAD SPECTRUM OF USES.** BLAMO can be sprayed into the air, added to water, sprayed onto fabrics, added to carpet shampoo solution and applied to hard surfaces. Several application methods make this a highly versatile product.

**PERFORMANCE BENEFIT: Replaces several deodorizers. Reduces chemical inventory.**

---

● **HIGHLY CONCENTRATED.** One short spray of concentrated BLAMO can totally eliminate your worst odor problems. It is so powerful and concentrated that only one quick spray or a few drops can deodorize a room in seconds.

**PERFORMANCE BENEFIT: Economical. Saves money.**

---

● **DRIES WITHOUT LEAVING RESIDUE.** BLAMO evaporates quickly, leaving no harmful residue on surfaces. There is no wet and messy fallout to worry about. BLAMO does not stain most fabrics.

**PERFORMANCE BENEFIT: No slippery or dangerous floors. Keeps work and public contact areas clean and safe.**

---

...setting performance  
standards worldwide...

## APPLICATIONS

This product is a liquid deodorant concentrate designed for a broad spectrum of uses. Because it is a concentrate, a drop or two will usually suffice in cases where several ounces were previously required. BLAMO will eliminate malodors, leave a refreshing aroma without leaving any residue.

This concentrate may be used to eliminate malodors in commodes, washrooms, disposals, garbage cans, pet beds, air-conditioner filters, litter boxes, carpets and a multiplicity of other areas. You will find applications for BLAMO in nursing homes, hospitals, warehouses, industrial plants and laundry rooms.

## DIRECTIONS

**General Uses:** A drop or two in commodes, wash rooms, disposals, garbage cans, pet beds, air-conditioning filters and other enclosed areas eliminates malodors and leaves a refreshing aroma.

**Mop Bucket or Automatic Scrubbers:** One ounce per gallon of scrub water eliminates undesirable odors.

**NOTE:** This product is a concentrate, and, when used as a space spray, it is recommended that one part of the concentrate be cut with one to five parts of water.

## TECHNICAL DATA
