CITROL GOLD

Organic Safety Solvent and Grease Eliminator

A Revolutionary Breakthrough In Solvent Technology...

- ✓ For Housekeeping Maintenance!
- ✓ For Tough Industrial Jobs!
- ✓ Environmentally Friendly!

CITROL GOLD... Performance in Action.

● **CONCENTRATED INDUSTRIAL STRENGTH.** CITROL GOLD is a powerful concentrate of natural citrus oils, chelates, penetrants, dispersants and surfactants which quickly emulsifies dirt, grime and grease. This miscible formulation chemically reacts and cleans through a saponification process.

PERFORMANCE BENEFIT: Contains unique solvent system that concentrates cleaning power. Saves labor time and reduces the amount of chemical needed to get the job done.

● **SAFE TO USE.** A non-acid, non-caustic and non-corrosive formulation which is safe on almost all washable surfaces. CITROL GOLD is environmentally friendly and non-carcinogenic.

PERFORMANCE BENEFIT: Contains no heavy metals or other pollutants which could damage equipment or endanger personnel safety. Helps make the work environment safer and reduces chemical-related personnel injuries.

● **CLEANS AND DEODORIZES IN ONE STEP.** CITROL GOLD dissolves soils such as grease, resins, oil, carbon, adhesives and creosote and deodorizes with a fresh, long-lasting citrus fragrance. No harsh solvent odors for workers to complain about.

PERFORMANCE BENEFIT: One product can clean and deodorize at the same time. Reduces labor costs and chemical inventory.

● **ECONOMICAL.** CITROL GOLD can be diluted up to 1 to 100 for normal cleaning. The powerful cleaning solution can be used in both housekeeping and industrial applications for renovation of walls, floors, appliances, machinery, tools, gears, ovens and grills.

PERFORMANCE BENEFIT: A versatile product for a multitude of uses. Extremely low cost per application.

● **ENVIRONMENTALLY FRIENDLY.** CITROL GOLD is a biodegradable, organic safety solvent. It is a safer, efficient alternative to chlorinated solvents and benzenes.

PERFORMANCE BENEFIT: Reduces risk of governmental fines and OSHA penalties.

APPLICATIONS

CITROL GOLD is a powerful organic water-soluble safety solvent. It contains no petroleum solvents or toxic ingredients, yet it quickly emulsifies dirt, grime and grease.

CITROL GOLD cleans engine parts, tools, machinery, walls, floors, carpet, appliances, stainless steel, woodwork, porcelain fixtures, vinyl, whitewall tires, ceramic tile and exhaust fans. It is used by industrial, institutional and municipal complexes to dissolve and remove grease, oil, tar, asphalt, cosmoline, adhesives, resins, inks, tire marks, food soils, waxes and grimy dirt.

DIRECTIONS

Dilution: Use 1:2 to 1:10 for tough jobs.
Use 1:50 to 1:100 for normal cleaning.

1. Apply with a Poly V Sprayer, Junior Pump-Up Sprayer, Trig Sprayer, pressure washer, hot or cold soak tanks, brush, mop or sponge.
2. Set stains or heavy deposits may require brush agitation to work in solvent.
3. Let stand for 3 to 5 minutes.
4. Rinse with water or wipe with a cloth or sponge.

Odor Control: Depending on the conditions and type of odor, CITROL GOLD can be used straight or diluted with water. Apply with sprayer directly to odor source.

TECHNICAL DATA

Composition:	Natural citrus oils, surfactants and wetting agents
Type:	Water-soluble degreaser
pH:	10.5
Specific Gravity:	0.97
Toxicity:	Low
Color:	Yellow
Fragrance:	Lemon citrus
Equipment:	See directions
