Rechargeable Grease Gun

19.2-Volt, 8,500 psi Battery-Powered Grease Gun

#9263

The 19.2-Volt Rechargeable Grease Gun is a powerful tool for any place of work or business, generating up to 8,500 psi of operating pressure. The battery recharges in only one hour and lasts long enough to dispense up to three tubes of grease. It's ideal for hard-to-reach fittings (30-inch flexible hose with spring guard), and it relieves worker fatigue and speeds up routine maintenance.

The Rechargeable Grease Gun can be loaded by grease cartridge or by suction. It comes complete with a heavy-duty carrying case, one 19.2-volt lithium battery and charger.

- ✓ Rechargeable Battery Pumps up to Three Tubes of Grease with One Charge
- ✓ Convenient - Relieves Worker Fatigue & Speeds Up Maintenance
- ✓ Can be Loaded with 14.5 oz. Grease Cartridge or by Suction
- ✓ Powerful - Provides 8,500 psi of Operating Pressure
- ✓ Comes Complete with Heavy-Duty Carrying Case, One 19.2-Volt Lithium Battery and a Battery Charger
