QUICK-SAN II

Hand Sanitizing Wipes

QUICK-SAN II Hand Sanitizing Wipes kill harmful germs and bacteria in seconds and eliminate harmful microorganisms from the skin. Each QUICK-SAN II wipe is pre-moistened with a powerful sanitizing formula that kills 99.9% of disease-causing bacteria. Plus, the special formula prevents cross-contamination and moisturizes skin while leaving behind a fresh wintergreen fragrance.

- ✓ Kills 99.9% of Harmful Germs and Bacteria on Hands
- ✓ Special Formula Cleans & Santizes
- ✓ Convenient and Easy to Use
- ✓ Moisturizes with Aloe & Vitamin E
- ✓ Pleasant Wintergreen Fragrance

APPLICATIONS

QUICK-SAN II Hand Sanitizing Wipes combine a gentle and effective anti-bacterial cleaning solution with a non-abrasive fabric that is gentle to hands. The result is a pre-moistened hand sanitizing wipe that kills 99.9% of disease-causing bacteria and is mild to the skin. Each wipe is a fast, effective and convenient method to provide added germ-killing protection, while leaving behind a fresh wintergreen fragrance on skin.

Areas of use for ATCO's QUICK-SAN II include: industrial facilities, food service institutions, municipalities, office complexes, restaurants, construction companies, manufacturing facilities, hospitals, nursing homes, hotels & motels, public buildings, schools, correctional facilities, wastewater treatment plants and other places of business where there is a need to reduce the spread of bacteria between hand washings.

DIRECTIONS

1. Remove lid by lifting upward. Remove foil seal.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.
